

Iowa Department of Natural Resources

Application for Non-Public Water Well Construction Permit

All wells in Iowa must be constructed by an Iowa DNR Certified Well Contractor or the property owner.

CASHIER'S USE ONLY 0376-542-W300-WC-0597 Applicant's Name DNR Cert No.

A <u>Private</u> Water Well Construction Permit <u>cannot</u> be issued for a well that will provide water for 15 or more service connections or serve 25 or more people per day, 60 or more days per year regardless if the well will be privately or publicly owner.

Examples of facilities that <u>CAN NOT</u> be permitted and constructed by this application are: towns, subdivisions, churches, recreational facilities, business parks, bars, taverns or adult entertainment establishments, food preparation/restaurants, theaters, and day care centers.

Any proposed well owner(s) who seek to have a water supply well constructed for any of the above categories must call the Water Supply Engineering Department of the Iowa Department of Natural Resources for consultation. Please call (515) 725-0282 for more information.

REQUIRED INFORMATION Note: Incomplete applications cannot be processed and	d will be returned.
