

Notification:

The required mailing to landowners in Hancock County, pursuant to HF718, have been mailed out. Hancock County's vendor for the printing and mailing of these letters notified us that due to a printing error some notices may list Fiscal Year 2025-2026 in the top right-hand corner instead of 2026-2027. The information contained in the letter for the notices of hearings for the Cities, Schools or County is correct. If you have any questions regarding the misprint, please contact the Hancock County Auditor's office at 641-923-3163.
